

High Pressure Filter

KL-SS-015

Features

- ◆ Stainless Steel Construction
- ◆ Efficient Buffering Action
- ◆ Wide Filtering Area
- ◆ Metallic Drain Cock

Specifications

Model	KL-SS-015
Operating Fluid	Compressed air
Port Size	1/2"
Filter element	5 μ m
Max. Working Pressure	200 Bar
Ambient temperature	-20~60°C (No freezing)
Drain	Manual
Body	Stainless Steel
